

Easy Ways to share SNAP

SNAP is here to help Oklahomans during COVID-19.

Try these quick ways to share SNAP with families, patrons, clients, and others:

1. Post information [like this](#) on your organization's social media accounts along with an [English](#) and/or [Spanish](#) graphic.
2. Include SNAP Hotline graphics when corresponding or interacting with community members, students, and families. Option: [1](#), [2](#), [3](#), [4](#), [5](#), [6](#)
3. Text this [script](#).
4. Send this email/letter [template](#).
5. If you use automated calling systems to communicate with contacts, share this [script](#).
6. Share this recorded hold prompt with callers while on hold with [this](#).
7. Ask community partners and local groups to help. Here's a sample [request](#) to send to your local library, faith organizations, non-profits, service groups, and others.
8. Download additional outreach materials and ideas [here](#).
9. Make sure staff and volunteers who work with students and community members know about the SNAP Hotline [1 \(877\) 760-0114](tel:18777600114) and where to send families for more information: www.hungerfreeok.org/groceries.
10. Add your organization to the list of trained SNAP Access Points to give the people you help the added support they may need to access SNAP and other food resources. Learn more [here](#).
